

## PLANS PEDESTAL STYLE JUMP

### Parts List:

Three 1" PVC Color Pipe (36" long)  
One 1" PVC White Pipe (47.75" long)  
One Pair Clip And GO Jump Cup Strips  
Two 1" Four Way PVC Fitting  
Six 1" PVC End Caps  
One Paw Print Label Sheet  
One Bottle of Clear PVC Cement

### Directions:

Step #1: Cut four 9" long legs using 1 piece of 36" PVC pipe.  
Step #2: Using PVC Cement, glue legs to the 4 way fittings. Hint: apply the glue on the inside of the fitting then insert the pipe.  
Step #3: Using PVC Cement, glue the bottom cross bar into the 4 way fittings (do not glue if you want to disassemble the jump for storage).  
Step #4: Using PVC Cement, glue the uprights into the 4 way fittings.  
Step #5 Using PVC Cement, glue the end caps onto the pipe.  
Step #6: Attach Jump Cup Strips (see instructions on the Jump Cup Strip packaging).  
Step #7: Attach Paw Print Labels to the jump bar.  
Step #8: Go have fun with your dog!
